DAZED LIFE

Music by Stefano DAL COL / Lyrics by Carlo CASALE

The individual capacity is definitely lower than the optimum one,
for a logical obvious future speech
confusion-deceits confusion-deceits
well create to the infinite without possibilità of mistakes for us

Rare exemplary of one or more generations we were relegatine yet to a primitive era
surround us and now manage the drugged life of each of us.

Useless dead consecrated myths for useless living will mould other useless dead consecrated myths

The indifference, the only dreadful weapon remained
there to avoid the growth in us only one os some dangerous community survival sense.

Infinites heat-proof coverings relegate to u sto necessary isolation
do it yourself! What other atrocious destiny will still reserves this entranced life for us?
Confusion-deceits confusion-deceits
we will created to the infinite without possibilità of mistakes for us

All of that will be given to us unusual being and for ever rare in the consciousness of this,
the strength of intentionally carry on, unaware and mandatorily indifferent in our infinite reserch,
being different and completely independent will keep us togheter without invading us,
through the thread of our biggest weapon: the thought.
