## **RUSSIAN DOLLS**

Music by Stefano DAL COL / Lyrics by Carlo CASALE

Days in down... saw wit white colours, days in down... somebody special  
I'm working love talk to feeling, took by the end sweet the caught to we live  
ride into see the fall and fraction any working love ride an action  
story by mess and call to die, felt in your eyes and call in the sky  
the cold in grille, the rock remember sticking by the love and role's december  
where the waiting white colours fight feeling we grow... come to with us

...What a kill... what a kill... what a kill  
I'm hurry and old rock to feel as sticky by the end as off to weed day  
Russian dolls... we not... this before  
not to will back to will, stay to listen the rock remember, heavy on the corner  
see the rock to humble ice on the q, regular the q and shot and shot and shot... never heard

Taking on the fall on the rock remember, taking on the fall in the sky taking on a dance  
so with white colours sitting on a update back in bandy, love in you rock you baby all we are right standing  
stumbling  
take me down in witch white colours... dirty blue and back to be out  
living on the cure with right reflections. Living on the cure ridin' action, turning by the ending,  
we are all this sky, living on the cube by my side

Go into heat white colours, sending time by this feelings the shiny coat walk wheeled, sticking with the shot  
kisses  
regard on the form by myself (turning hearing on the style)  
heat me and found back to feeling, stick on the phone back to we live  
and the time is too.. in the rock reflections soberness in the out in action... Russian dolls... Russian dolls...  
never before... time.. time.. time

Taking her on a wit white colours but the time be cruel, back to missiles, shaking down up to we live  
final band in the back to we leads, taking on with the dance, taking on we are out, taking on we are in  
house  
Russian dolls... where are before? Russian dolls... Russian dolls.
