Music & Lyrics by Riccardo CARESTIA

I am so angry because the news speak about terrorism and I believe it, they speak about war and I believe it they talk about the behind the scene of the war and I believe it they talk about the behind the scene of the war and I believe it, too than they list the deaths, I believe it than the list the survivors, I believe it I want to see the things clear or I get angry All this confusion creates indifference So you start to think only of the easy things The leaders of the world make all complicated What they don't want we understand That man is guilty, ok He is innocent, ok It is a game, the winner iswho guess the truth Between all the lies that they want we believe.
